Attention: Dianne Olksa

My original patent documents and the check for \$375.00 were mailed March 11, 2003. The documents were misplaced.

As requested I sent another duplicate set of patent documents and another check on September 20, 2003.

I received the post card back from the Patent Office with the Patent Pending #10 / 666698 as of September 26. The check from this application was cashed.

At some time after this my original documents were found and because of untimely coordination the original check was cashed.

Would it be possible to send me a refund and perhaps return the original application. This might avoid confusion with the document that has been accepted for review.

Included please find copies of both sides of the two checks for your perusal.

Your truly,

Jonas Browne
